DIESTEL
FAMILY RANCH®

At Diestel Family Ranch we only do turkey one way. It's the harder way, but it's the right way — what we call the Diestel Difference. As one of the few, small family-owned and operated ranches left in the nation, we continue to do things the right way. Because of it our products will always be tender and juicy, delivering handcrafted and artisan flavors to share with your family and friends. At Diestel Family Ranch, we exist for the health and happiness of future generations, both ours and yours.
